

Would you like to join the Green Practice, Stockbridge Health Centre?

This is a rare and exciting opportunity to join our friendly and cohesive team in central Edinburgh, right in the heart of beautiful Stockbridge.

We are looking to appoint a salaried GP for 4-6 sessions, with the preferred start date of August/September 2022.

Our committed NHS team is comprised of 6 GP partners, 2 experienced practice nurses, 1 healthcare assistant, and a superb administrative team. We have a strong and well established educational ethos with all our doctors and nurses actively involved in teaching and training medical students as well as future GPs.

Our list size is 10,200 and growing. We offer in-house minor surgery, coil and implant insertion, diabetes care, joint injections, and our nurses lead on much of our chronic disease management (COPD, Hypertension etc.). Our wider team benefits from an NHS physiotherapist, a community support worker, community pharmacists as well as district nurses, midwives and health visitors also based within the health centre.

We pride ourselves on offering excellent access to patients for urgent problems, whilst maintaining continuity of care for ongoing issues, with a mixture of pre-bookable appointments up to 8 weeks in advance as well as on-the-day appointments. We offer patients a choice of in-person or phone appointments, and also use e-consult as an alternative means of patient access.

Our team is hugely dynamic, involved in quality improvement at locality level, with regular educational meetings as well as practice multidisciplinary learning and teambuilding events. This is a fantastic team and community to work in and we would love to hear from both newly qualified and experienced GPs.

For informal enquiries, please contact our Practice Manager, Mr Russel Sanders on 0131 260 9229 or [russel.sanders@nhslothian.scot.nhs.uk](mailto:russel.sanders@nhslothian.scot.nhs.uk).

Applications by CV **with covering letter** telling us why you would like to work with us via email to our Practice Manger or via post:-

Russel Sanders

The Green Practice, 1 India Place, Edinburgh, EH3 6EH

Closing date: 3<sup>rd</sup> June 2022

Interviews: week beginning 13<sup>th</sup> June 2022
